

2016-11-03

Present: Dig-it Project Manager
 Content Uploader
 Ethan Marrs
 Nathan Begbie

Made coffee
Pleasantries exchanged

Nathan

Demo'd toolbar
Still functionality missing - need to work on it
Basic preview functionality is very cool (but it broke while demoing)
Snide remarks about color scheme made
Nathan weeps

Ethan

- More filtering (by participant)
- Topic creation wizard
 - On hover?
 - Details?
- Clarification on Asana usage
 - Grade 10 -> broken down by week
 - Within each week: published, checked, etc.
 - Project manager, platform manager, content creator, content moderator
 - Sends reminders
 - Asana not a source of truth – emails became noise
 - Create hard rules for prototype
 - Use Celery
